

Attention Parents

Free or low-cost health insurance is available for New Jersey children!

This summer, parents of more than 450,000 children across the state will get in the mail an envelope marked *Express Lane Application for Health Insurance*.

You will get this mailing if your household checked a box on the New Jersey tax return that you have a child without health insurance. Please open the envelope right away and complete the application to get free or low-cost insurance for your children!

You work hard to keep your children safe, healthy and happy! Take advantage of this opportunity so your kids can get the checkups they need to stay healthy and see the doctor when they're sick or injured.

Your privacy is assured. NJ FamilyCare is committed to covering uninsured children and protecting families' privacy. Information provided to NJ FamilyCare is used only to enroll children for health insurance.
