

# Butler Public Schools

## Preschool Application

The Aaron Decker School we will continue to offer a preschool program for children in the Butler Community. **This will be a three-day program that will begin at 8:30 and end at 11:15.** The preschool program will be held at the Aaron Decker School and be free of charge to those accepted. There will be no transportation provided. This program is an initiative that will offer your child a quality preschool experience in a public school setting. At this time the spaces are limited to ensure optimum class size and appropriate teacher/student ratio. Because we expect the interest to be quite high we will accept applications until August 10, 2010. **Along with the application you will need to submit proof of residency, (a deed, lease, or tax bill) and a birth certificate along with the completion of a free and reduced lunch application. You will be notified of your status by August 20, 2010.**

**All children that turn three or four on or before October 1, 2010 are eligible for the program.** If accepted to the program, a one school-year commitment is required.

If there are any questions regarding this preschool program please contact Virginia Scala, Principal of the Aaron Decker School at 973-492-2037 or [vscala@butlerboe.org](mailto:vscala@butlerboe.org).

**Please complete the application below and return it to Aaron Decker School by August 10, 2010 along with the required documents as listed above.**
