BHS MISSION HONOR Storyboard Fundraiser

This fundraiser is open to honoring all BHS veterans. The funds will be used to expand the monument and install the names of the hundreds of BHS veterans who have been recently identified, thanks to Helen Micklitz’s extensive archives of local newspaper articles.

This fundraiser is meant to enhance the monument by bringing the stories of BHS veterans to life. There are many interesting stories surrounding the service of our classmates. We would like to see these stories shared with the community and in the process help us fund the expansion of the monument.

Those families wishing to share a story of a loved one only need to provide a jpeg picture of the veteran in uniform or in another related photo and the information you wish to share about them. We will do the rest, including taking a picture of their paver and adding it to the storyboards. These storyboards will outline the monument. Storyboards are 24” X 18” and mounted to a steel frame which will be used to place the display with others surrounding the monument. Here is an example of a storyboard:
