Grade 9
Class of 2026

Student Name: _____ Parent/Guardian Name: _____

Parent Phone Number: (Cell) _____ Parent Email Address: _____

Student Email Address: _____

PLEASE READ CAREFULLY WITH PARENTS BEFORE CHOOSING CLASSES!

All students will automatically be scheduled for English, Math, Physical Education/Health, Science and Social Studies. Placement will be determined by academic performance/teacher recommendation and other established departmental assessment criteria if necessary. **Students are expected to fill EIGHT class periods for a total of 40 credits minimum. All students will be scheduled for lunch. Please read over course elective descriptions in the Program of Studies, before making selections.**

When contemplating elective choices, we recommend that students fulfill visual/performing arts, 21st Century/Practical arts and/or financial literacy requirements as outlined in the Program of Studies book (online). Be sure that you select your world language, primary electives, and **alternate** electives in case an elective does not fit into the schedule. Electives **must** be chosen from the list below. Please note that these choices are requests only and not your finalized schedule.

9th Grade Elective Courses:	
040	Creative Writing (SEM)
043	Evolution of Cinema (SEM)
