Parents and Guardians of the Class of 2021:

The New Jersey Department of Education has established a Bridge Year Pilot Program which offers students from the graduating Class of 2021 the opportunity to pursue an additional year to address learning/athletic loss as a result of the public health crisis caused by the corona virus pandemic.

A student from the Class of 2021, who has met all applicable graduation requirements, may defer graduation by pursuing a bridge year.

If you feel your son/daughter may be interested in exploring this option, please contact Mr. David Doty, in the Athletic office, by February 15, 2021 to discuss the opportunity in further detail.

With Bulldog Pride,

A handwritten signature in black ink that reads "Rory Fitzgerald".
